Your table is waiting at The Hotel Utah's new Crossroads Restaurant.

It's all new...including the name. The Crossroads Restaurant in the lower lobby of the Hotel Utah is perfect for that early morning business breakfast. When you are looking forward to a pleasantly relaxed yet moderately priced downtown lunch, just say you will meet them at The Crossroads. And, for a delightfully different place for dinner where the food is as fine as the atmosphere, come to The Crossroads. Your table is waiting....

The Solid Gold Cadillac

A Playhouse Guild Production

Both a Broadway hit and a successful motion picture, this play is tongue-in-cheek comedy at its best. Four corporation directors can't believe it when an old woman disrupts their annual stockholders' meeting with the disarming statement, "I move that salaries are too big." A mistake is made when the directors give her a job in the company to keep her from rocking the boat. Authors Howard Teichmann and George F. Kaufman give a funny, fast-paced account of the little woman fighting the big, anonymous corporation.

VIEWS FROM THE PLAYHOUSE

It appears appropriate at this time of the year to pause and take a few minutes to thank our patrons, season ticket holders and all those who have supported the PLAYHOUSE during the 1974-1975 season. The success of the season has far surpassed our expectations. We assume that this success is an indication that our patrons appreciate professional productions that can be enjoyed by everyone. It will continue to be our policy to produce popular productions of a professional quality containing no offensive material for the members of our community.

It is with this in mind that we allow ourselves to make a premature announcement:

THE PROMISED VALLEY PLAYHOUSE PROUDLY ANNOUNCES 1975 - 1976 ENCORE SEASON

OUR MAIN SEASON INCLUDES THESE SIX GREAT SHOWS:

HELLO DOLLY - (It's so nice to have you back where you belong . . .) The BIGGEST most popular Broadway extravaganza returns to the PLAYHOUSE stage by overwhelming popular demand. A new cast, a new look but the same "show-stopping" songs that endeared Dolly Gallagher Levi into the hearts of all America, and better yet the finest Dolly around - our own Pat Davis from the PLAYHOUSE as our star.

RIGHT HONORABLE SAINT - An exciting new musical written by Salt Lake's own Keith Engar and Robert Cundick based on the colorful life of Brigham Young University's founding father: Karl G. Maeser.

GEORGE "M" - "You're a Grand Old Flag", "Yankee Doodle Dandee", "Give My Regards to Broadway", in fact all the nostalgia and music of the wonderful George M. Cohan era will be brought to life on our stage.

GEORGE WASHINGTON SLEPT HERE - A delightful and hilarious comedy (made famous by the late Jack Benny in the Hollywood film) complete with all the charm, humor and situations of the original productions.

OUR TOWN - America's most popular play written by Pulitzer Prize winner Thornton Wilder. The laughter and tears and remembrances of our own families in days gone by should make OUR TOWN a special experience.

OF THEE I SING - This musical received the Pulitzer Prize in 1931 and is another example of the deftness of the Gershwin brothers. Everything about this show: dialogue, music and choreography was originally created with a skill that has rarely been equaled in musical comedy theatre. The political theme and the Gershwin songs will be re-created for your enjoyment.

**AND FOR OUR EXTRA OFFERINGS THAT HAVE PROVEN SO POPULAR
THIS PAST YEAR.....WE BRING YOU**

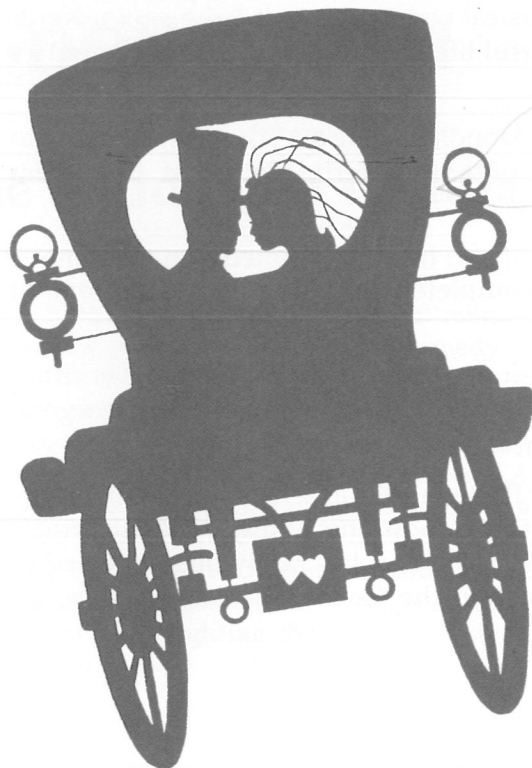

ETC!!! Songs, dances, vaudeville, jokes, variety, clever patter and familiar chatter i.e. etc., etc., etc., etc., etc.,

CHRISTMAS CAROL - An original adaptation of Charles Dicken's beloved classic. Adapted specifically for the PLAYHOUSE. This family musical offering is our gift to you for the holiday season.

H.M.S. PINAFORE - Due to the overwhelming success of Gilbert and Sullivan's MIKADO presented this past January we have initiated a Gilbert and Sullivan tradition and H.M.S. PINAFORE will be our second offering.

In order to assure that all of our patrons receive a brochure announcing our ENCORE SEASON and to get the order blanks for season tickets we ask that you complete the card enclosed with this program and leave it with an usher as you leave the PLAYHOUSE or mail it back to us here at the PLAYHOUSE.
